

The IERS Project

One Teacher's Perspective

A Challenging Journey

- The IERS Project
- Enhanced my Knowledge
- Broadened my Skills base
- Challenged my Attitudes & Values

Ongoing Support

- Multi tasking
- Professional Development.
- Specially Designed Classroom Resources

What did we as teachers have in common before & after the 2 years?

What Teachers got involved?

Courage

*Courage is not the absence of fear, but
rather the judgment that something else
is more important than fear.*

AMBROSE HOLLINGWORTH REDMOON

- Courage is not the absence of fear, but rather the judgement that something else is more important than fear.

What kept us motivated?

Communication
