

## Cyprus assistance for returning migrants

### Are you eligible for support?

If you are a third country national and wish to return to your home country, you are eligible to benefit from the return programme of Cyprus. Returns are voluntary and can be of all ages and profiles, and may include:

- ✓ Asylum seekers
- ✓ Refused asylum seekers
- ✓ Regular and irregular migrants
- ✓ Families
- ✓ Other vulnerable persons

The Civil Registry and Migration Department (CRMD) is the responsible authority in Cyprus, who decides if you can get the assistance and how much. Reintegration assistance and counselling will be provided upon a positive verification check by the CRMD.

### How can you apply?

You can apply through contacting the CRMD by email ([ntheodorou@crmd.moi.gov.cy](mailto:ntheodorou@crmd.moi.gov.cy)) or by phone (22-308759). You can find out more information from your counsellor, when you meet for the first time.

### What assistance can be provided?

As a returnee under the voluntary return Cyprus programme, you are eligible for cash assistance provided by the CRMD to help you get started once back in your home country. The cash grant is delivered before departure from Cyprus and consists up to 300 Euros. The CRMD will also provide you with a free return ticket to your home country and pre-departure support (e.g. PCR test).
